ALL LOVE THE SWINGRITE
HOME RUN HITTER!*

CAUTION: You should not hit balls with this swing trainer.

Patent pending.

**The SwingRite Home Run Hitter should “CLICK”
at the correct impact position!**

- **Achieve Maximum Power & Distance** when your bat is released with proper timing in the hit zone. Batters using the SwingRite Home Run Hitter can perfect the timing of their release *because the spring-release mechanism “CLICKS” when your hands release.*
- **Measure Power as You Improve**, with adjustment levels from 9 (starting point) through 1 (maximum power).
- **Easy to Use!** It's a real, quality-made, hardwood bat that you hold just like your own bat.
- **Practice Anywhere!** Home, office, baseball or softball warm-up, off-season, indoors or out!
- **Available in Varying Weights and Lengths for Players of Any Size and Ability:** Men, women, youths, right- or left-handed players, beginners or pros, little league, high-school, and college teams.
